EDUCATION

- [fall 2008- spring 2013] **The University of Tennessee College of Architecture and Design**
Bachelor of Architecture, Magna Cum Laude
- [spring/summer 2012] **Bauhaus Universität, Weimar, Germany**
B. Arch exchange program

EXPERIENCE

- [2011-present] **Three Rivers Construction, Knoxville TN** designer and draftsman
I designed and produced custom floor plans for single family residences in conjunction with a licensed contractor.
- [spring 2013] **Univesity of Tennessee, Knoxville TN** ARC 122 teaching assistant
I helped instruct and coordinate technical drawing course for first year undergraduate architecture students. My responsibilities included in-class instruction, grading of assignments, and bi-weekly planning sessions with the lead Professor and other assistants.
- [winter 2012] **DudaPaine Architects Durham, NC** full time student intern
I worked in team with designers and other interns during the schematic design phase of commercial and residential development. Participation in team and WebEx meetings, both physical and digital modeling, drafting, and graphic presentations were part of my responsibilities.
- [summer/fall 2011] **William Andrews Architects Knoxville, TN** part time student intern
Along with the principal architect I took as-built measurements of an existing residence, documenting site and structure for design of an addition. I attended meetings with the client and presented digital models and drawings of design in development.
- [summer 2011] **Urban Arch Associates Memphis, TN** full time student intern
I worked on team of interns to survey and draft plans of existing public schools. Annotation of utilities and room use were included in deliverable sheet sets for the client.
